About Us

Founded in 2012, US Cabinet Depot has utilized technology, experience and a dedicated team to become one of the country's leading distributors of RTA cabinetry.

Now with over 450,000 square feet of fully stocked warehouse space across the country, US Cabinet Depot is providing industry leading turn around times nationwide. We pride ourselves not only with a one of a kind online ordering system, but with our loyal customer service team. While headquartered just outside of Atlanta, GA, the recent addition of our new distribution center in Reno, NV, enables us to expand our availability and service to dealers throughout the U.S.

Our growth efforts are continually building far beyond warehousing. With door style offerings that are on trend yet timeless, US Cabinet Depot has always been a dependable supplier. However, it is our close-nit customer relations that keeps us abreast of new concepts so we can develop new products every year to meet the expanding needs of our dealer base.
